

Romona PTA Membership & IGNITE Form

Your Romona PTA is a non-profit group of parents who believe parent participation greatly enhances a child's education, by supporting and providing enriching programs that expand and compliment our district opportunities. Your Membership directly supports Romona children. Please visit www.romonapta.org to join online. Questions: membership@romonapta.org

Complete form below and return with payment to the PTA Membership Mailbox, Front Office.
Membership valid July 1 – June 30 of the current school year.

Why join your PTA?

1. **Enrich & enhance your child's education. All money goes to PTA funding, directly benefitting each and every child.**
2. **Have a voice in your child's education. You'll have one vote at all PTA General Meetings. See website for schedule.**
3. **Keep in touch with classmates. Have access to the school on-line app directory**

What is the IGNITE Fund?

Your annual Romona IGNITE donation (formerly known as Pride Pledge) directly funds the enrichment and field trip activities for each student. On average, students participate in 3-5 enrichment activities each year, funded solely by the PTA. The average cost of enrichment activities for each student is \$100. While we would appreciate receiving \$75 per student, we would accept any contribution your family is able to make.
